

# GCF Leadership Experience Asia

## What is the Leadership Experience (LE)?

A one-year life-changing leadership development program for emerging children's ministry leaders across Asia.

### Key goal

To equip leaders to influence change for the sake of the children and to do it in ways that reflect kingdom values of trust, servanthood, transparency and generosity.

### Main components

LE is a one year program that combines guided community research, online learning, mentoring, a major ministry project and a 4-week residential intensive in Sri Lanka.

Key Topics include: Biblical Foundations, Context of Children, Faith Formation of Children and Kingdom Leadership.

Importantly, a ministry project brings these learnings back into local ministry contexts.

### Design and key outcomes

LE is designed & facilitated by Global Children's Forum (GCF), a global collaboration of Christian child-focussed organisations committed to developing the next generation of leaders serving the local and global church.

Graduates receive a GCF LE Certificate endorsed by The Cory Centre for Children's Ministry, Bethel Seminary Minnesota.
